

Official Invitation to the European Hydro & Offshore Open Championships 2023

Our aim is to host a professional and friendly event that brings countries together to enjoy top class racing in the Hydro & Offshore classes. The event is hosted by FSR Polska and will be run together with the iMBRA committee and volunteers from our member countries.

Event date: 17-22 July 2023

Planned program: please see our preliminary program on the next page. This program is subject to change according to the number of entries.

Event location: Sportowa 60, 42-274 Konopiska, Poland

Registration: any number of competitors from any country* can register

The entries are completed online. All countries are provided with a link to a webpage that is specific to their country. Check your country link [here](#), this is where each of the competitors must complete their entry. The Team Leader will receive login details directly from iMBRA, so that they can amend and/or delete entries as required.

The full list of registered competitors can be viewed at <http://fsrpolska.pl/championship>
